

REMARKS

This divisional application is being filed in response to a telephone restriction requirement in the parent application in which claims directed to the apparatus were elected. By the above amendments, the title has been amended to refer to the claimed invention herein, the specification has been amended so as to incorporate the Cross Reference to Related Application and a new abstract corresponding to the claimed invention has been provided. Further, claims 1-8 have been canceled and claim 9 which has been amended, was subject to a restriction requirement in the parent application, and new claims 10-16 have been presented, all of which are directed to the method.

Examination of the application and favorable action thereof is respectfully requested.

To the extent necessary, applicant's petition for an extension of time under 37 CFR 1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (500.42015VX1) and please credit any excess fees to such deposit account.

Respectfully submitted,

Melvin Kraus
